ICT Spring Courses 2012 Courses suitable for Primary & Post Primary Teachers

| Course Code | Title of Course | Date/Time | Venue | Duration | Details |
|-------------|---|---|-----------------------|----------|--|
| 12MO601 | Scoilnet Blogs, Podcasts and Wikis – Suitable for School website Follow on to Web 2 course | Monday 6th February 2012 7.00pm -9.30pm | Mayo Education Centre | 1 night | This is a short follow on course from the Web 2 course held here before Christmas to support teachers who are working with Scoilnet Blogs Podcasts etc |
| 12MO603 | Starting your school's e-Learning Plan (new) (Participants should bring their school's e-Learning Handbook to this session) | Monday 20th February 2012 7.00pm -9.30pm | Mayo Education Centre | 1 night | The aim of this 2.5 hour course is to help principals, ICT co-ordinating teachers and any teachers interested in the development of their school's e-Learning Plan. The course explains key resources available and advice on how to use them effectively in your school - The e-Learning Planning Cycle, Using the e-Learning Roadmap, Introduction to the e-Learning Action Plan, and other NCTE resources available to assist in the development of the Plan. |
| 12MO604 | Scratch (a visual programming language) This course is run in conjunction with The Computer Education Society of Ireland (CESI) and Lero | Saturday 11th February & Saturday 3rd March 2012 9.30am to 3.30pm | Mayo Education Centre | 2 days | Scratch is a programming language that makes it easy to create your own interactive stories, animations, games, music, and art and share your creations on the web. As young people create and share Scratch projects, they learn important mathematical and computational ideas, while also learning to think creatively, reason systematically, and work collaboratively. |
| 12MO606 | The Internet & Email | Monday 27th February 2012 7.00pm -9.30pm | Mayo Education Centre | 1 night | With a particular focus on teaching and learning, participants will be enabled to: <ul style="list-style-type: none"> • find online educational resources using an internet browser • apply good classroom practice in relation to internet safety and copyright • set up an email account and send and receive emails |
| 12MO608 | Digital Presentations for the Classroom | Tuesday 13th March 2012 7.00pm -9.30pm | Mayo Education Centre | 1 night | This short course will assist teachers to <ul style="list-style-type: none"> • create a simple digital presentation using presentation software • connect a digital projector to a laptop or teaching computer • describe some practical applications of ICT to support the development of literacy and numeracy |
| 12MO609 | Dealing with the administration of Moodle | Wednesday 14th March 2012 7.00pm -9.30pm | Mayo Education Centre | 1 night | A short course to help teachers with the administration of Moodle in the Classroom for Teaching and Learning |
