Project for Mayo Schools for 2012

It is now much easier to Capture and Edit short films

We would like to establish a film showing event for schools where the potential FÍS entries would be shown prior to sending to the FÍS project for the Helix Event in Dublin.

An Evening has been arranged at Mayo Education Centre for teachers/schools interested in participating.

Films must be less than 5 minutes long to be eligible for FÍS

Information evening Thursday 8th March, 4:30pm - 6pm

Facilitator: Art Ó Súilleabháin
