**FOR TEACHERS & SNA'S**

## **Clarifying Roles & Responsibilities to enable Teachers & SNA's to work collaboratively**

Working together can present challenges for both Teachers & Special Needs Assistants (SNA's), for a variety of reasons. These presentations aim to provide clarity of roles and responsibilities.

The facilitators, Michele Dunleavy and Grace Mulligan will initially meet with Teachers on 22<sup>nd</sup> February and then SNA's on 29<sup>th</sup> February, to discuss their individual roles and responsibilities within the learning environment.

A final session on the 7<sup>th</sup> March will bring both teachers & SNA's together. This will allow both groups to understand how best practice evolves, when teachers and SNA's are confident in their roles and responsibilities.
