

**Mayo
Education
Centre**

Simple Science

In this one night workshop, we will concentrate on sound and heat. This is the first in a series of simple science workshops.

Sound

Understand what sound is and discover how musical instruments work from a flute to a guitar.

Heat

Explore what heat is and how it travels, simple heat activities that you can do in the classroom.

Date: Monday 27th February 2012
Venue: Mayo Education Centre
Time: 7pm
Facilitator: Declan Holmes

Refreshments will be served

**Workshop Free to teachers.
Travel Expenses will be paid in accordance with the
Department of Education & Skills Regulations**
